Projects

Current **2D Animator** - Hand Drawn
UCSF Department of Neurological Surgery - Cognitive Fatigue Series
Created explainer videos in Toon Boom Harmony with hand drawn animation. Storyboarded in Storyboard Pro. Designed characters and props. Developed proposal with shot count, panels, shot planner, and project timeline. Pitched film and animatic to UCSF. Followed guidance and feedback.

2023 - 2024 **2D Animator** - Motion Graphics
Insomnia Production - Colorful
Animated lyrics on a music video using motion graphics with Adobe After Effects. Designed composition of lyrics around the pre-established storyboard. Synced animation rhythm with musical timing. Created an Ukrainian version in cyrillic font by reanimating words around new phonemes.

2016 - 2020 **Production Assistant** - Post Production
Insomnia Production - The Ribbon
Managed artists and scenes during composition using Autodesk Shot Grid. Tracked assets from Harmony. Delegated and aided in composition using After Effects. Applied layers of drop shadows and atmospheric gradients. Ensured consistent frame-rates and visual quality. Followed producer and director.

2016 - 2020 **2D Animator** - Hand Drawn
Insomnia Production - The Ribbon
Animated sequences for a hand drawn short film using Harmony. Multitasked as a rough, cleanup, and effects animator. Obeyed style guide in model, line-widths and color. Worked on lead characters, background walk cycles, and title card animation. Followed director critique and participated in dailies.
